# Kentucky 4-H Camping Code of Conduct and Expectations

- 1. Campers are not permitted to bring cell phones to camp.
- 2. Possession or use of alcohol, illegal drugs, or weapons by any person is prohibited.
- 3. Use of tobacco products is not allowed for campers/teens at 4-H camp. Should a county decide to permit adults (21 years and over) to use them, it may occur only in areas designated by the Camp Director. Absolutely no tobacco products are to be used in cabins, woods or non-designated areas of camp.
- 4. Camp participants are permitted to enter the cabin in which they are assigned. All other cabins are restricted.
- 5. Campers are not allowed in the cabins during a class or activity. If a camper is ill, they are to stay at the medical center (not in a cabin) until the Health Care Provider (HCP) feels the camper may return to activities.
- 6. Camp participants are to be attentive, responsive and courteous to any staff, adult or teen counselor making a presentation before the group.
- 7. Absolutely no phone calls are to be made by campers (camp office phone or cell phone) without approval of the County Extension Agent. All County Extension Agents should be informed of incoming calls at the camp office to campers.
- 8. Accidents or illnesses, no matter how minor, are to be reported to the County Agent and Camp Healthcare Provider. If medical care is needed, the Agent will coordinate treatment with the Camp Healthcare Provider.
- 9. Obscene, discriminatory and/or inappropriate language or dress, roughhousing, and insubordination is not acceptable at any time and may result in dismissal from camp.
- 10. Fireworks are not to be used by camp participants at any time.
- 11. Swimming, boating, or any waterfront activity is not permitted except during designated times and under proper supervision.
- 12. Appropriate dress, including footwear, should be adhered to as outlined in the 4-H Camp Dress Code.
- 13. Camp participants are always to remain with their groups, and must obey the rule of 3 when traveling. Individuals are not to be on the trails or near the lakes without an accompanying adult.
- 14. Camp participants are not permitted to leave the grounds at any time without notifying and receiving approval from the Contact Agent and their County Extension Agent.
- 15. Camp participants are expected to be in their cabins, with lights out, as designated on the camp program schedule.
- 16. No visitors, other than parents or immediate family, may visit campers during the camp. Visits must be approved in advance by the County Extension Agent.
- 17. No camp participant is to be around or on maintenance equipment.
- 18. Camp participants who are having personal conflicts with others should discuss these with their cabin counselor, dean, or County Extension Agent.
- 19. Campers and teens are to work with counselors in carrying out daily assigned jobs to help keep the camp running smoothly. Grounds are to be kept clean at all times. Camp participants are expected to leave the cabins, facilities and grounds clean and orderly.

- 20. Camp participants are to respect camp property. Any misconduct resulting in damage to camp property or buses, including graffiti, shall be paid for by the camp participant and/or parent or guardian. A list of damage fees is available.
- 21. All medications must be turned in to the designated adult and picked up by the parent/guardian at the bus pick up site. The Health Care Provider will be responsible for securing all medications at camp.
- 22. Camp is not responsible for personal property of any camp participant or staff.
- 23. We care about the safety of all camp participants. Incidents of serious misbehavior (i.e. threats, fighting, bullying, causing injury, alcohol/drug incidents, any altercations between adults and/or minors, intentional property damage/vandalism, etc.) will be reported to the Camp Director and County Extension Agent and an incident report will be completed. Incidents of serious misbehavior may result in dismissal from camp.
- 24. Camp participants should demonstrate respect toward others. Bullying, hazing, or pranks (i.e.: shaving cream, toothpaste in pillow/sleeping bags, defacing property, including inappropriate use of electronics/social media) will not be tolerated and may result in dismissal from camp.

Any conduct inconsistent with the above rules may result in consequences such as the camp participant/parent/guardian/immediate family member being sent home, restricting future participation in 4-H activities, termination of 4-H membership, or other consequences determined by the county's or state's policy. If a camp participant must be sent home, it will be the responsibility of the parent/guardian to pick them up at camp. There is no refund of the camp fee for an early departure.

# Kentucky Residential 4-H Camp Essential Standards for Camp Participants

The University of Kentucky is an equal opportunity university. Parents/Guardians of children who have medical conditions or other disabilities requiring special attention should alert the agent to ensure proper care and accommodations are provided. If the camper requires personal care or a level of attention not available through camp staff or volunteers, a family friend, relative of the same sex over age 19, or a parent/guardian must accompany the child as a full-time 1:1 caretaker. The parent/guardian will agree to pay the individual costs of the caretaker (25% of the camper registration fees.) Any person accompanying a camper as a caretaker must successfully complete the Client Protection Process and is expected to follow all camp code of conduct policies for volunteers. To determine whether a caretaker should accompany a camper, the following factors will be considered:

- Ability to dress without assistance
- Ability to maintain personal hygiene, e.g. bathing, brushing teeth
- Ability to attend to toileting needs
- Ability to understand, follow, and respond to oral/written instruction
- Ability to remain at rest or sleeping according to the camp schedule
- Ability to participate in group activities with minimal individual attention
- Ability to participate in a communal living environment with minimal individual attention
- Ability to sustain a 15-hour (7am-10pm) camp day with limited rest periods
- Ability to understand and respond to dangerous conditions
- Ability to take medications according to a pre-set schedule and with minimal assistance

If a caretaker is not provided and a camper cannot meet the essential standards listed above, they may be dismissed from camp. If a camper must be sent home, it will be the responsibility of the parent/guardian to pick them up at camp. There is no refund of the camp fee for an early departure.

I have reviewed and acknowledge the essential standards for camp participants policy.
